Re: "The employer has stated that on 9/28/07 you sent and email to Tim Gibbs it states please use paid time off. Please prepare my final check, fully paid up to date. An email was sent from Tim on 9/28/07 to Geri stating that Robert is requesting we give him today and tomorrow off. I have made the changes in the time clock system. He has also personally confided in me that if MotoSat does not fix the salary issues by Monday then he will expect his final paycheck and that "some people here can expect to be arrested. They know who they are."

Did you say that if it was not fixed you wanted your final paycheck? Also when you find another job are you planning on giving your SS number to the employer?
If you could please get back to me by no later than 10/22/07 at 4:45pm otherwise a decision will be made with the best available information,"
