Dear [REDACTED]

Thank you for bringing the matter of the request for a Social Security number (SSN) for the STATE of UTAH DEPARTMENT OF WORKFORCE SERVICES.

Firmly attached to this letter are the official documents that address this issue. Please be advised that I do not own a SSN. The Social Security Administrator in Murray Utah is in verifiable receipt of the Notarial Certificate of Default (exhibit A, attached) concerning this matter. According to official Social Security publications, the Social Security Act does not require a ~~person~~ ^{SAVY} to have a Social Security number to live and work in the United States, nor does it require a Social Security number simply for the purpose of having one. I do not volunteer to participate in government benefit programs.

Please see my attached Declaration of Protected Individual and Work Eligibility Verification re-executed on November 2, 2006 and already submitted to the personnel files you are required to maintain on me (exhibit B). A copy of this herewith all Instrument and all attachments is also USPS Certified mailed to: Janice Olson of the DWS. This constitutes an adequate explanation for an "employee" listed without a SSN, and demonstrates that MotoSAT has satisfied the requirement specified in the Utah Employment Security Act section 35A-4-305 (8)(c)(i), i.e., "good cause" and not "willful neglect".

Please be advised that I do not consent to "withholding", and that I have requested an official notice (exhibit A) from the Social Security Administrator at Murray, Utah addressed to MotoSAT to stop conveying *in-error* my pay to them for a benefit program in which I do not participate.

Please contact me at once if you have any questions or desire additional documentation.

Sincerely, all rights claimed and reserved without prejudice,

Robert Vincent Crifasi
